

COURSE | 11-16.03.2013

The 2nd Kiev international master-classes for new music information for young composers

COURSE is regular (yearly) master-classes for new music. It's task is to develop ukrainian and european young composers' activity during its week of intensive study and practicum in the collaboration with noted European composers as well as with the members of Ensemble Nostri Temporis.

The form of **COURSE** is public actions - presentations, lectures, discussions and concerts - as well as individual lessons with teachers in composition and consultations with musicians of the ENT.
